

Educational Institutions

WESCO understands the unique factors education providers must address due to increasing enrollment, maintenance of older facilities, and rising energy costs. Billions of dollars will be spent on expansion, renovation, and building — all while keeping a focus on the bottom line. WESCO helps institutions meet these challenges with our broad product offering and value-added services.

What we can do for you

Electrical Upgrades

Upgrading your electrical distribution system can help solve common electrical problems such as ground faults, tripping breakers and control system failures.

- Switchgear
- Control panels
- Transformers
- Boxes and enclosures
- Wire, cable and conduit

Communication and Security Solutions (CSC)

Our goal is to provide cost effective communication and security solutions that will allow you to upgrade your network infrastructure and keep your students safe.

- Hi-speed structured cabling solutions
- Low voltage specialty wire and cable
- Physical security
- Networking and wireless solutions

Lighting Upgrades

Proper lighting will make your institution more secure from intruders, protect your employees from certain hazards, and help you meet energy saving requirements.

- Lamps, fixtures, ballasts and controls
- Gymnasium lighting
- Public areas and parking
- Sports fields

Maintenance, Repair and Operations (MRO)

We make maintaining your facility easy with access to a wide range of MRO products.

- Tools, power and hand

Buy American!
We will help you source the products you need to meet the ARRA Buy American regulations!
